The Strength Behind The Brand

Choosing a Heil® air conditioner means more than just selecting a brand. It means selecting a product backed with tremendous assets in design engineering, quality manufacturing, and service support—as well as

a 100-year tradition of excellence. We're dedicated to bringing you home comfort products that meet and exceed your expectations for high quality, energy efficiency, and reliability. You can depend on us.

On Heil.®**

Engineered For Quiet Operation

The Heil® QuietComfort™ DX 1300 is built with premium components for quiet performance. There's a sound blanket to minimize compressor noise, and the two-speed fan motor operates most of the time at the quieter, lower speed. The unit's aerodynamic air discharge design also reduces operating sound. This air conditioner is designed to sound just as beautiful as it looks!

Dependable Today And Tomorrow

Every Heil air conditioner is designed to deliver years of dependable service. The cabinet is exceptionally durable, thanks to its corrosion-resistant, appliance-grade paint. The filter dryer removes moisture from the refrigerant and safeguards the long-term reliability of the refrigeration system.

R410A is an EPA-approved, environmentally sound refrigerant.

Higher Efficiency For Greater Savings

Heil engineers have increased this unit's efficiency to 13 SEER[†] to help lower your energy bills. You could save up to 23% compared to many older units!

[†]SEER stands for Seasonal Energy Efficiency Ratio.

Warranties To Ease Your Mind

Every Heil unit is backed by exceptional warranties, including our No Hassle Replacement™ limited warranty*, which gives you a replacement unit if the compressor or outdoor coil should fail within the first year. You also get up to a 10 year^s parts and compressor limited warranty.* And don't forget to ask your dealer about HELP® extended service agreements for additional worry-free protection for parts and labor coverage.

*See published warranty for complete details. To learn more about all of these limited warranties, including the No Hassle Replacement limited warranty, go to Heil-HVAC.com.

^sSubject to conditions. Ten year warranty requires timely registration. See detailed additional information on back page and Warranty Certificate at Heil-HVAC.com for complete details.

SEER vs. Cooling Cost Savings

Percentage based on national averages at 10 SEER; may vary according to efficiency of current unit and installation.

ENHANCING YOUR YEAR-ROUND AIR QUALITY

- Humidifier enhances comfort by reducing dryness in the air.
- Air Cleaner filters out many indoor air pollutants so the air in your home is cleaner.
- Set-Back Thermostat allows you to customize heating and cooling levels and also save energy.
- Furnace is designed for maximum comfort and high efficiency and built rugged for years of operation.

LEADING THE WAY IN COMFORT AND RELIABILITY

- ① **Quiet**
The Copeland Scroll® compressor operates without noisy pistons and has a sound blanket to reduce compressor sound levels.
- ② **Durable**
The painted, galvanized steel cabinet features a powder-coat, baked-on finish and a coated inlet grille with narrower spacing to provide maximum protection as it allows for proper airflow and easy coil cleaning.
- ③ **Efficient**
The Copeland Scroll® compressor and the 7 mm copper tubing with aluminum fin coils increase efficiency for greater energy savings.
- ④ **Aerodynamic**
The aerodynamic air discharge design reduces operating sound, and the two-speed fan motor operates most of the time on the quieter, lower speed.
- ⑤ **Service Friendly**
The Comfort Alert® diagnostic system improves accuracy if the unit needs checking. The Plug & Play feature simplifies wiring and makes servicing faster and easier.

- e. Air Conditioner keeps your home cool and comfortable while saving on energy.
- f. Evaporator/Indoor Coil, to match your Heil air conditioner and furnace, assures you of optimum performance.
- g. UV Lights help prevent the growth of microbes on the coils.

* Proper sizing and installation of equipment is critical to achieve optimal performance. Split system air conditioners and heat pumps must be matched with appropriate coil components to meet ENERGY STAR® criteria. Ask your contractor for details or visit www.energystar.gov.

♦ For information regarding furnace or fan coil options that can increase the energy efficiency of selected Heil air conditioners (SEER) and heat pumps (SEER and HSPF), go to Heil-HVAC.com and look for "Energy Savings" on the menu.

^ This Heil product carries a ten (10) year limited warranty on parts, including compressor and coils, to original homeowner if installed in an owner-occupied, single-family residence and properly registered within ninety (90) days after original installation. Otherwise, the parts warranty period is five (5) years from the date of installation. Heat exchangers may carry longer limited warranty coverage that applies to original homeowners with timely registration. (See Warranty Certificate for registration instructions. Registration not required in all jurisdictions.)

All systems tested and listed by the appropriate agencies.
